We would also like to have you as our guest at a luncheon which will be scheduled about noon at the Officers' Club at Fort McNair. A group from both the Seminar staff and class will attend the luncheon.

Members of the Defense Strategy Seminar will have security clearance through SECRET. You should have no concern as to how freely you may speak during your lecture or the question and answer period. All of your remarks will be held in strictest confidence and will not be attributed to you, by members of the Seminar, outside of The National War College. No members of the press will be present.

It is important that we be able to furnish each student with a copy of your presentation as soon as possible for his use in carrying out the objectives of the Seminar. If the lecture is to be classified, classified areas of the lecture should be clearly indicated so that they can be deleted before reprinting.

If you intend to use a manuscript we would appreciate being advised in advance as to whether or not we can be furnished a copy of it to facilitate transcription. The manuscript will also be beneficial in

assuring that the classified areas are deleted and to facilitate getting the presentation in the hands of the students prior to their departure from Washington after the Seminar. If, on the other hand, you do not intend to speak from a prepared text, please be assured that no requirement exists for furnishing us one.

We will prepare any maps, graphs, charts, or other visual materials required, if you will let us know your desires in this matter.

If you will advise me where you wish to be met, I will be happy to send transportation for you. If you will be able to be here for the luncheon, the transportation will arrive in time to get you to the Officers' Club at noon. If you will be unable to be here for the luncheon, the transportation will arrive in time to get you to the college by 1:40 p.m. so that you may have a brief visit with the Commandant prior to your lecture.

Enclosed is a requisites form for your convenience. I would appreciate receiving it at the earliest practicable date.

We are looking forward to having you with us.

Sincerely yours,

Encls:
